Subject: Waiver of Monthly Administrative Assessment – JUNE & JULY 2023 POOL

The Order 51 administrative assessment for the upcoming uniform price calculation, as provided for in §1051.85 of the Order, will be waived for the uniform price calculation months of June & July 2023. Historically large volumes of milk pooled on the order, during the first quarter of 2023, generated assessments in excess of required reserves.

The monthly administrative assessment will resume with the calculation of the August uniform price calculation at the rate of 3 cents per hundredweight.

The assessment for marketing services will remain during this period.
